

Transitional living for women veterans and those with children

HOME FRONT

San Joaquin Valley Veterans, a project of WestCare, is opening its new 2-year transitional housing for women veterans in April, 2010. The home is located in Fresno, CA.

This unique sober living program will include minor children under the age of 12 as space allows. Services include life skills, education, employment readiness, and family development.

For admission, women veterans should be:

- Open minded and committed to improving their quality of life and to work with staff in reaching their goals.
- Able to live and participate in a positive living environment with children, attend house meetings, and follow community rules.
- Share living space with other women.
- Sober at least 30 days.
